¹ HBCU is an acronym for Historically Black Colleges and Universities. Historically Black does not mean exclusive. Applicants regardless of race apply to and are accepted to HBCUs.

² Some of the colleges we visit will not be HBCUs in order to provide an authentic “complete and contrasted” cross-referenced college but environment.

³ Visitors lasting less than 1 hour are termed “snapshot” visits. Due to the limited accommodations that are available, those who elect to give the students a college tour are encouraged to be “snapshot” visits.

⁴ A “partial meal stipend” means only a few meals are included. An additional $875.00 is needed above any spending money for food costs.

⁵ New Haven, CT departing will be transported to and from Philadelphia, PA where the full tour will depart and return.
